5. Chairman's Report

The Chairman didn't want to dwell too much on the 2019/2020 Financial Year as the end of the 2020/2021 Financial Year will be upon us in the next couple of months. The Chairman explained it was difficult to review the previous year due to the restrictions that were in place due and time passing so quickly. We had restricted cricket, restricted bar, restricted everything. We were financially ok and have survived the unprecedented turmoil caused by the Pandemic.

The Chairman continued to say that despite all of the restrictions, a limited form of cricket was played, and the 1<sup>st</sup> XI managed to win their respective knockout cup and a joint 2<sup>nd</sup> and 3<sup>rd</sup> XI team also won their respective knockout cup. These were both great achievements for what was a difficult year.

6. Honorary Treasurer's Report and Balance Sheet

The Honorary Treasurer presented the accounts and the balance sheet for the year ended 30<sup>th</sup> September 2019.

The accounts showed an excess of income over expenditure of £54,639 and this was mainly Due to grants and the furlough payments
