2. Club Opening/Operational Arrangements

A discussion was held regarding our opening and operational arrangements. It was agreed to continue with what was already in place, with the club being open to members only (with guests) and families can use either the decking area or the upstairs function room to dine. It was agreed that the staff were doing an excellent job in what are somewhat difficult conditions

3. Ground

The outfield is beginning to take shape. Watering has commenced due to the lack of rain, and thanks was given to those involved

Donald Palmer has volunteered to paint various areas of the ground and this has begun.

New outside steps have started to be built on the far side of the ground as these are needed to form part of the requirements for the planned event in August. Thanks was give to Paul Wells and Eric Houghton.

4. The Extension

The extension is reaching its final stages, the lift will be installed next week and the remainder of the work may be completed within the next 4 weeks.

5. Council Loan

We have been informed that our application will be presented at the next Blackpool Council Loan Panel Application Meeting. We are confident that our loan will be approved. The Loan is to enable us to continue with the ongoing improvements to the club.
